

# 2022-23 UCAS Timeline for Year 13s

## September – October 2022

- Complete final draft of personal statement (for applicants for 15th October deadline) - see our editing tips [here](#).
- Complete initial personal statement draft (for applicants for January deadline) - see our 5 key tips [here](#).
- 15th October 2022: UCAS deadline for applicants to Oxford, Cambridge and most medicine, veterinary and dentistry courses.
- Prepare for [interviews](#) if applicable.

## November – December 2022

- Complete final draft of personal statement (for applications for January deadline) - see our editing tips [here](#).

## January – February 2023

- 25th January: UCAS deadline for the majority of undergraduate courses.
- Ensure you understand how to set your [firm and insurance choices](#).
- 23th February: UCAS Extra opens. Ensure you know [what it is and how to use it](#).

## March – April 2023

- Research [UCAS Clearing and Adjustment](#), making sure you understand why you might need it and how it works.
- Consider your possible results day outcomes and plan ahead for 'ideal', 'good' and 'below expectations' outcomes.

## May – June 2023

- 18th May: the deadline by which universities normally respond to all applications.
- 30th June: Applications received after this time are entered into Clearing rather than sent onto universities directly.

## July – August 2023

- 5th July: UCAS Clearing opens.
- TBC (usually mid-August): BTEC results announced.
- 17th August: [A-level results day](#).
- TBC (usually mid-August): [UCAS Adjustment](#) opens.

## September – October 2023

- TBC (usually start Sept): UCAS Adjustment closes.
- TBC (usually mid-Oct): last date for adding Clearing choices.
- TBC (usually mid-Oct): last date for universities to accept Clearing applicants.

**For progression not determined by privilege**
